Behaviour Policy

This has been recently updated and we would like you all to be familiar with the way we encourage appropriate behaviour at nursery so have attached a copy to this newsletter.

Jasmine Retires

We would like to wish her well after 7 years of preparing delicious meals for your children and many more besides. We have appointed a new cook, Ann, who happens to be Clare's Mum (Toby Talls Room Coordinator). Ann has been for several years working at a children's centre in Manchester as a cook so comes with a wealth of experience.

Slippers

We believe it is in your child's interest that the nursery is kept as clean as possible. Thank you for providing them with slippers or indoor shoes to ensure that our carpets keep as clean as possible for floor play. We will be having new carpets in some areas over the next few months and this will raise our standards. Please use the boot scraper by the front door or the shoe covers if you suspect your feet to be muddy.

Emailing Photos

We love to share with you photographs of your child's day, and therefore in the process of updating all parents email addresses. Please let us know of any changes to these.

Activities and Special Days

Baby Smalls: -All the babies have enjoyed looking at a variety of animals and creating some animal collages to display in their room. During April we have a sensory walk planned, so lots of new textures will be introduced for all to explore.

Tommy Thumbs: -We enjoyed all our visitors coming in to see us. Oliver's daddy bought some bikes in that he mends to show us, along with the tools he uses. We all enjoyed sharing our favourite books to celebrate World Book Day.

Pets at home have been invited to come along and show us some furry animals so we will be learning all about handling pets.

Toby Talls: -What an enjoyable time we have had with all our visitors. A fire engine, a police car and even a combat course to contend with! A show and tell day is planned, old and new.

The Toby Talls will be having a day full of activities on March 26th and would love to invite any Grandparents along during the day to come and join in with the event.
Please speak to Jo or Dannii.

Stay and Play

Our next Stay and Play is March 28th from 8-9.30am. We hope to see you then. If you can't come then please ask for a list of future dates from your child's keyworker.

MANAGERS MEMO

EASTER

I am looking forward to our Easter celebrations and seeing all the children's Easter bonnets they have been very busy creating. Don't forget we are closed on Friday 21st and Monday 24th March as these are both Bank Holidays.

A very big thank you to all of our parents that have been into the nursery to talk to the children about their jobs or hobbies. If any parents have a special hobby please let me know.
