

Aims and Objectives

- To provide educational and day care provision of the highest quality.
- To ensure that all the children's developmental needs are met, emotionally, socially, intellectually and physically.
- To provide a well-planned and structured early years curriculum which challenges all children irrespective of their age or stage of development.
- To provide a safe, well maintained, hygienic environment.
- To ensure that children's progress is assessed and monitored on a regular basis.
- To develop and foster a close working relationship with parents and carers.
- To provide quality equipment and resources throughout the nursery.
- To ensure that equality of opportunity permeates all aspects of the service we offer.
- To employ qualified and experienced staff, providing them with frequent opportunities to update and improve on their training.
- To meet and service the needs of the local community.
