Baby Bounce and Rhyme

The Baby Smalls have been visiting Rugeley library to take part in Baby Bounce and Rhyme. This involves , singing songs and rhymes with accompanying actions and has developed into one of the great success stories in libraries over the last couple of years. Based on a strong element of participation, the sessions are both lively and stimulating for babies and carers and introduces a BIG fun element to our work with the babies. This event will take part every other Monday .If any of you would like to meet us there and join the fun then just speak to your key worker for more details

Horn End's very own Gordon Ramsey (Alias our cook -Rob)

We have been getting some lovely feedback on the quality of the food provided at Horn End ,so I thought you may appreciate me sharing some of our recipes with you!!

Hummus

You need: 1Red pepper, 1 small Onion, Chickpeas (in a tin or frozen), Garlic 2 gloves olive oil, lemon juice and a food processor

Method:Chargrill red pepper and onion in the oven for 10 to 15 minutes. Rinse chickpeas and place in food processor, add red peppers, onion with garlic and a little olive oil and lemon in to the food processor. Whizz down adding a little more olive oil if needed.

You can add extra lemon juice, garlic if needed.
This is delicious with wholemeal pitta bread

Session Times

Morning session 8.15-1.00

Afternoon session 1.00-5.30

Early start 7.45-8.15

Please can you ensure that I have been notified if you require your child to start before 8.15 as we need to maintain correct ratios of staff at all times. There is a small fee for this earlier start time. If you are unable to get to nursery in time for your child's end of session again please let me know so I can ensure there are sufficient staff. End of session times are as above 1.00pm and 5.30 pm

Thank you for your cooperation

MANAGERS MEMO

I have been informed by parents that they have witnessed some children not being fastened into car seats when leaving nursery, I was concerned by this and wanted to remind you to never travel without your child being securely fastened into their seats
Not only is it illegal but you are putting your child at great risk
