

# Staffing

Ref: Staff Handbook

All staff employed by the nursery must have the qualities as set out below: -

- To be enthusiastic and reliable

- To be experienced and qualified to look after children

- To have a positive attitude towards all aspects of childcare

- To have demonstrated an ability to work as part of a team

- To have good communication skills with adults and children

- To be polite, clean and smart in appearance at all times

- To be aware of aspects of health and safety

- To be aware of all children's needs

- To respect the need for anti-discriminatory practice within the nursery

All members of staff will receive an induction, which outlines all policies and details their specific job description.
